Formal Report of the Local Government and Social Care Ombudsman

Cllr Jonathan Price, Cabinet Member for Education (and SEND) said,

"We are committed to supporting post-16 students who are from low-income families and those with an Education, Health and Care Plan who require specialist assistance due to a learning difficulty or disability.

Having worked with the Local Government and Social Care Ombudsman on this case we have apologised to the family and put right our mistake and we have reviewed how we assess post-16 transport applications for students with Special Educational Needs."

Reasons for Recommendations:

1. The appended Formal Report by the Local Government and Social Care Ombudsman in relation to Post 16 travel for a SEND child.
2. The LGSCO investigate complaints about "maladministration" and "service failure". The finding of the Report issued is upheld; maladministration and injustice.
3. The LGSCO have decided due to a recurrent fault that this formal report is to be issued as a Public Interest Report.
4. Since the LGSCO have found the complainant and her daughter have suffered in-justice as a result of fault, under Section 31(s) of the 1974 Act, the Council must formally consider the appended Formal Report at a high decision-making level such as Cabinet.
