## **Audit and Standards Committee - Tuesday 14 December 2021**

### **Annual Report on Health, Safety and Wellbeing Performance 2020/21**

#### **Recommendations**

I recommend that the Committee:

- a. Review the findings and management information detailed in this report.
- b. Consider key actions identified for 2021/22 and decide if any further actions are required.
- c. Recognise the work that has been achieved to improve the council's management of health, safety and wellbeing risks.

#### **Report of the Director of Corporate Services (and/or Section 151 Officer as appropriate) / External Auditor**

### **Report**

#### **Background**

1. Attached report provides an overview on the health, safety and wellbeing performance of the council during 2020/21. Key achievements and significant findings during this period along with performance data and outcomes. Also outlines the 2021/22 work programme and key priorities.

#### **Equalities Implications**

2. None applicable

#### **Legal Implications**

3. Report outlines performance for the organisation and show effective levels of compliance and areas for focus and continuous improvement.

### **Resource and Value for Money Implications**

4. No resources requested. Report outlines key activities for improvement during 2021/22.

### **Risk Implications**

5. Report provides overview of the risk and 2020/21 work plan to minimise and respond to emerging trends, themes and risks.

### **Climate Change Implications**

6. None applicable
